From Bestselling Author of Obediently Ever After! Don't miss this acclaimed writer's best book ever! Faced with escalating tuition fees and shrinking loan programs, the pretty young college student was already desperate when she read the ad: "Wanted: Female subject for research study. Effects of mild captivity on sexual behavior. Pay negotiable. Apply to G. Simon Nite, Doctor of Psychostratology. Building Q. Call University Ext 78689 for Appt." Although the experiment sounded kinky and a bit repulsive, it was university sponsored, so she answered the ad. Soon, in the name of science, she was reduced to the status of a number in an experiment, Subject 532. That's when 532 discovered there was more to Dr. Nite's experiment that first met the eye. For 532 was being trained to become aroused by acts of bondage, imprisonment, humiliation, and punishment. Worse yet, Subject 532 discovered she liked it, and was becoming a willing participant. Here is book that makes The Story of O read like a children's novel. Fallen Angel Reviews says Gabriel Reese's novels are "very erotic. The chemistry between the characters is incredible ... tasteful and well-written ? a very hot and sensual read."
